Anchor Dolly **Setup**

- Loosen the knobs at the center of the dolly and spread the three legs out flat on the floor. Retighten the knobs to lock the legs in position.

NOTE: To keep the dolly stationary, engage the wheel locks.

FOR ATTACHING TRACK WHEELS (Not Included)

- Remove the Allen bolts and take off the studio wheel. Repeat for each studio wheel.

- Fit a track wheel onto the dolly and secure it by tightening the Allen bolts, as shown. Repeat for each track wheel.

- Your dolly is now fitted with track wheels, as shown in the image.

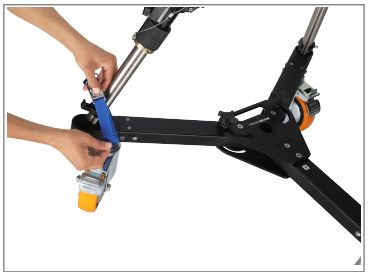

- Mount the tripod on the dolly, then pass the safety strap between the dolly and the tripod, as shown.

- Press the strap button, pull out the strap, and insert the strap end into the strap rest.

***NOTE:** Always use the safety straps for added security and to protect your equipment.*

Euro Mount

- The dolly has standard Euro/Elemac mount threads, so you can attach Euro-base accessories such as bazooka risers and build your camera setup on top.

YOUR PROAIM ANCHOR HEAVY-DUTY DOLLY IS ASSEMBLED AND READY TO USE

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer a one-year warranty for our products from the date of purchase. During this period, we will repair it at no charge for labor or parts. Warranty doesn't cover transportation costs, nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subject to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please contact us immediately, and we promise our utmost support and care until you use our product.
